

**bestfresh**<sup>®</sup> BY SEALPAC  
INNOVATION AT ITS BEST

### SEALPAC – your package to success

As a high-precision manufacturer, we support our customers in reaching their targets. We work together to create cost-effective and guaranteed high-quality solutions. Our flexible and dedicated approach will guide you in exploring individual alternatives to help shape your future.

### Your SEALPAC partner:

**A new dimension**  
in packaging

**High performance with visual appeal**

- Hermetic seal with peelable film
- MAP packaging for extended shelf life
- Manual or automatic filling
- Easy denesting on automated production lines with denesting system perfectly matched to the **SEALPAC** packaging process
- Excellent presentation with **SEALPAC** InsideCut sealing

**CREATIVITY IS THE KEY TO SUCCESS**

Rectangular, oval or round - we've seen it all before. The traysealer experts at **SEALPAC** have created a complete new packaging trend with their **bestfresh**® concept: a new system to package unique products in a unique form. The distinctive sausage-shaped packaging is the first practical example of the **bestfresh**® concept, but technically speaking there are no limits to the possibilities at **SEALPAC**. Feel the inspiration!

*bestfresh*®

**Benefits at a glance**

- Eye-catcher due to original packaging shape
- Ideal tool for building your brand and increasing customer loyalty
- Trademarked design for guaranteed uniqueness
- Immediate product recognition due to product shape of packaging
- Stackable packaging for ideal space utilisation

**Many roads lead to bestfresh®**

Especially ideal for **bestfresh**® applications is the **SEALPAC A5** with its high packaging performance. It can be operated from either side, is equipped with an integrated modem for immediate malfunction diagnosis and is controlled by a PLC system.

The **bestfresh**® system is fully compatible with all other **SEALPAC** machines. A flexible tooling quick release system ensures that **SEALPAC** packing machines are easy to adapt to special product-shaped packaging.

Ideal for **bestfresh**®: SEALPAC A5.

Simple adaptation to **bestfresh**® with the SEALPAC tooling quick release system.
